## *From World Thrust International*

We are happy to announce the availability of a new book: **JOY IN LIVING** by: **Joy K. Boerop**. It is Joy's autobiography giving you insight about the many aspects of missionary life and service. It will inform you about many issues you may not be aware of in making the gospel available. Joy's life story will enable you to pray more specifically for your missionaries. The pictures on the cover represent the continents where Joy has lived as an MK (missionary kid), an MW (missionary wife), and an MM (missionary mother). Laugh and cry with Joy as she shares the overwhelming faithfulness of her Savior, who has given her a life of great joy and fulfillment amidst suffering and adversity. Available in soft and hard cover. Contact Joy at: 770-339- 0961 or email her at: [lina1895@bellsouth.net](mailto:lina1895@bellsouth.net)

### **PRAYER REQUESTS and PRAISES**

#### **Our church and missions**

- Continue to pray for the Youth/Worship Pastor Search Team as they seek God's direction and guidance as to the man He has for Grace Church.
- Continue to pray for health, safety, and effectiveness as Sam Williams seeks to be a good physician working for the *Great Physician* in Togo, Africa! Also, remember Liz as she remains at home and takes care of the flowers at Grace Church!
- Continue to uphold Justin and Leah Conley, and pray for an online teaching position for Justin. Also pray that God will supply the additional support needed to continue working with our Youth.

#### **For those with health and other concerns**

- Pray for Larry Harmon's sister, Judy Hefty, who is hospitalized in Mason City, Iowa following a heart attack. She will have surgery on Tuesday. Pray for a successful procedure and complete healing.
- Pray for Ron Weaver's mother, Edna, who is 93 years old and had surgery last Tuesday for cancer. During the surgery, it was realized that the cancer was very aggressive and had spread. The family was told that chemo is not an option. Pray for God's mercy and peace for Edna, Ron, and Barb.
- Ellouise Hoback has requested prayer for her son, Mark, who has symptoms of lyme disease as a result of a tick bite. At the writing of the bulletin, Mark was awaiting results of lab work. Pray that the report will be negative for lyme disease.
- Carolyn Burch asked that we pray for a friend, Ben Horsley. Ben recently had surgery to correct a hole in his intestine and is now suffering from complications. Pray for his healing and that God would work in Ben's life during this time.
- Please pray for Elsbeth Shannon, the mother-in-law of Sarah DiPasquale (daughter of John and Doris DiPasquale). Mrs. Shannon has been dealing with colon cancer for a long time. Please pray for God's mercy and grace for her and her family during this time.
- Danny Dugan's niece and her husband, Gayle and Gabe Himmelwright, had their 4th child, Josiah Bryan, last Sunday night by emergency C-section. Josiah has a full version of Trisomy 13, a genetic disorder which has caused multiple defects and a life expectancy of a few days to a month. Pray for this family during this sad time and also for Gayle's rapid healing.
