## **PRAYER REQUESTS and PRAISES**

### **Our church and missions**

- Continue to pray for the Youth/Worship Pastor Search Team as they seek God's direction and guidance as to the man He has for Grace Church.
- Nils Thomas has requested prayer for the Rescue Mission Service on June 14. His message will be *"Worshipping God to Please Him"* based on the second commandment. **There is still a need for a song leader and pianist for this service!**
- Bear and Vanessa Yarbrough have requested prayer for permanent employment for Vanessa, which will enable them to pay off school debt, and for discernment as Bear plans for the upcoming ministry year. They praise God that Bear's contract with the church was extended for one year and he is now the *Interim Pastor of Student Ministries and Missions Mobilization*. **See their letter in today's bulletin.**
- The Blue Ridge Women's Center has seen a continuing increase in client numbers and a drop in donations. Pray that God will provide necessary finances in the midst of financial challenges.
- David and Diana Stoddard did not suffer losses in the recent severe weather in Guatemala, but many others did. Pray for those who lost family members, possessions and homes, and ask God to supply their daily needs.
- Continue to pray for health, safety, and effectiveness as Sam Williams seeks to be a good physician working for the *Great Physician* in Togo, Africa!
- Continue to uphold Justin and Leah Conley, and pray for an online teaching position for Justin. Also pray that God will supply the additional support needed to continue their work with the Grace Church Youth.
- Pray for Leila Martin, CEF, as she awaits the pathology report from her surgery for cancer last week.

### **For those with health and other concerns**

- Continue to pray for—
  - Larry Harmon's sister, Judy Hefty, who had a heart procedure recently
  - Ron Weaver's mother, Edna, who is in hospice care at her daughter's home
  - the Hobacks' son, Mark, as he waits for lab results for possible lyme disease
  - God's work in the life of Carolyn Burch's friend, Ben Horsley
  - Elsbeth Shannon, the mother-in-law of John and Doris DiPasquale's daughter, who has been dealing with colon cancer
  - Gayle and Gabe Himmelwright, the niece of Danny and Diana Dugan, in decisions they need to make concerning Josiah, their newborn infant son
- Liz Williams' friend, Jeremy Palmer, is breathing on his own and able to eat after suffering serious injuries in an accident in California. Pray that he will continue to show improvement as he moves to a rehab center.
