## **PRAYER REQUESTS and PRAISES**

### **Our church and missions**

Praise God for the good pathology report that Leila Martin, CEF, received! She related, *"The cancer was stage 1 and all the lymph nodes and other organs were free of cancer. The Doctor said that this was the best possible outcome. Thank you for your support and your friendship. Thank you for your faithful prayers."*

- Continue to pray for the Youth/Worship Pastor Search Team as they seek God's direction and guidance as to the man He has for Grace Church.
- Nils Thomas has requested prayer for the Rescue Mission Service tomorrow night. His message will be *"Worshiping God to Please Him"* based on the second commandment. **There is still a need for a song leader and pianist for this service!**
- Brian Broaddus has requested prayer for Chelsea Mak, a summer intern. This could be a life-changing summer for Chelsea and for her parents who are not believers. Pray that God will do a special work in each of their hearts for His glory and thank Him for providing all the financial support she needed to go to Japan.
- Bear and Vanessa Yarbrough have requested prayer for permanent employment for Vanessa, which will enable them to pay off school debt, and for discernment as Bear plans for the upcoming ministry year. They praise God that Bear's contract with the church was extended for one year and he is now the *Interim Pastor of Student Ministries and Missions Mobilization*.
- The Blue Ridge Women's Center has seen a continuing increase in client numbers and a drop in donations. Pray that God will provide necessary finances in the midst of financial challenges.
- Continue to pray for health, safety, and effectiveness as Sam Williams seeks to be a good physician working for the *Great Physician* in Togo, Africa!
- Continue to uphold Justin and Leah Conley, and pray for an online teaching position for Justin. Also, pray that God will supply the additional support needed to continue their work with the Grace Church Youth.

### **For those with health and other concerns**

- Continue to pray for—
  - Becky Gurley's aunt, Millie Couture, is awaiting results of gene testing in order to take part in a clinical trial study. Pray for God's grace for Millie.
  - Larry Harmon's sister, Judy Hefty, who recently had triple bypass surgery. Pray for complete and quick healing with no complications.
  - Ron Weaver's mother, Edna, who is in hospice care at her daughter's home
  - Mark Hoback as we awaits results of further blood work to test for antibodies
  - God's work in the life of Carolyn Burch's friend, Ben Horsley
  - Gayle and Gabe Himmelwright, the niece of Danny and Diana Dugan, in decisions they need to make concerning Josiah, their newborn infant son
  - Liz Williams' friend, Jeremy Palmer, and ask God to continue to strengthen and encourage him as he moves to a rehab center.
