A NOTE OF THANKS

Dear Grace Church Family,

Thank you so much for celebrating with me the accomplishments God has brought me to. I am so grateful for all of you and the blessing you have been to me on this journey with Christ. God has truly been good to me by allowing me to be a part of such an amazing body of Christ. I feel overwhelmed as I think back to the time I first stepped foot into Grace Church over 20 years ago. Seems like yesterday, and everyday thereafter, God has made an example of each and every person I have come to know, as someone to see as a mentor and an example of what a relationship with Jesus Christ should look like. There are a number of people who have been instrumental in this journey and I want to say THANK YOU! from the bottom of my heart. Even though the path God is leading me on now has taken me away from you in the physical, know that you are always in my heart and prayers. I cannot imagine what my life would be like had I not been to Grace Church, nor do I want to. I do however, want to celebrate with you the success of Christ and His plan not only for my life, but also for yours. Thank you again for the gifts and the well wishes. I want to return the gifts and well wishes back to you in the knowledge that Christ has been and always will be the central focus of my life and the endeavors that come my way. The joy of Love of Christ is in the midst of my thanks to you! My contact information:
