NOTES OF APPRECIATION AND THANKS

Thanks to my church family and friends during my confinement from shoulder surgery. Your prayers, the meals, and trips out in the snow to meet my needs were greatly appreciated. Please continue praying for a complete (and speedy) recovery from this surgery.

Cheryl Walters

Dear Church Family,

I want to thank all of you who have sent emails, made telephone calls, brought food and prayed for me during these past several weeks. I saw the doctor this morning [2/26] and had more x-rays done. I got a good report and will begin therapy next Thurs. [3/4] The doctor was pleased with my progress.

I've been blessed by the Olympics these past two weeks. I've had something interesting to watch on TV while recovering. The figure skating was great last night. I am so much stronger and feel up to sitting at the table in order to do my Bible study now.

*With love,
Lucy Poland*

RESCUE MISSION NEEDS FOR MARCH are **OVEN MITTS AND SOS Steel Wool PADS!** Let's fill the basket in the foyer this month!

ELDERS CHAT, NEXT SUNDAY, 6:00 TO 7:30 P.M. In an effort to promote communication between the leaders of Grace Church and the congregation, we want to host routine "elders' chats" (sort of like the Presidential fireside chats-except with actual dialogue) in which we are able to discuss the on-going ministry efforts and needs of the church. Any topic will be open for discussion; however, we will begin this first time with a short presentation of what we envision to be the priority "church health" focus for Grace Church over the next 12 months or so. All are encouraged to participate. Childcare will be available.

PRAYER REQUESTS and PRAISES

Missions and our church

- Be in prayer for the CCCD mission team as they minister in Kingston, Jamaica, this week. The team from Grace Church consists of Bob Gordon, Danielle Martin, Ben Knouff, and Abbey Knouff'.

Those with health issues and other concerns

- Our missionary Fred Burkin's stomach cancer has spread to other organs and is inoperable. The prognosis is 3 to 6 months to live. One doctor advised radiation and another chemotherapy. Pray for the Lord's guidance and mercy.
- Pray for unsaved family members.
- Pray for complete healing for Ian, Dave Hall's grandson, who has a staph infection.
