PRAYER REQUESTS and PRAISES

- John and Joanne Austin have requested prayer for their next weekly *Diplomat Lunch Discussion Series* that begins on April 8. The discussion is titled *Living Above Average—Facing Reality with Faith and Hope*. Their spring series of weekly Bible studies and *Conversational English Classes* for wives of diplomats begins on Tuesday, April 13.
- Continue to pray for Fred and Joyce Burklin. Joyce called the office on Wednesday to say that Fred has started radiation treatments, 5 days a week for 5 weeks. She appreciates our prayers and said she knows that is why doctors now say that Fred has about a year left.
- Please pray for Liz and Dr. Sam Williams as they work in Sitka, Alaska during the month of April. Sam will be a surgeon at the native hospital for the Haida and Tlingit tribes for one month. Liz will return on April 14. Pray that they will be salt and light in all they do. Sam will return May 5 and leave May 12 for his tenth short-term mission trip to Togo. Pray for health, safety, and effectiveness as Sam seeks to be a good physician working for the Great Physician.
- Pray for Nils Thomas as he prepares a message on the third commandment for the Rescue Mission service on April 12. Pray also that God would begin now to work in the hearts of those He will bring to the Mission that night.
- Pray that Johnny Holley, cousin of Ray Holley, would seek the Lord during his battle with brain cancer.
- Remember Mitch and Betty Ratliff; Ella, Madison and John Fenzel; and Stephen and Sarah Escalera and family in the homegoing of their loved one, Thurman Harris.
- Continue to uphold Scott and Carolyn White as Scott recovers from extensive surgery on his foot. Pray for complete healing.
